Creating Zionist Teen Activists

Club Z has been training and empowering teens to fight antisemitism, lies and misinformation in high schools and on college campuses since 2011.

Club Z Westchester teens organize counterprotest, Rhinebeck, NY, April 2023

"I am deeply grateful for the incredible education, advocacy training, and Jewish social network that my two sons have received through Club Z. Quite simply, Club Z is leading boldly and innovating in profoundly critical ways. At a time when antisemitism and anti-Zionism are at unprecedented levels in the US, Club Z provides not only the knowledge and facts that young people desperately need, but also the tools to activate this knowledge.

- Laura Leibman, Club Z Parent

"Every Club Z alumni that come to us has just been so prepared, so educated, that we've been able to do so much more in supporting them. It's incredible to work with an organization that works hand in hand, and we couldn't ask for a better partner in really making headway in the fight against misinformation and anti-Zionism propaganda on campus." - Douglas Sandoval, CAMERA on Campus

Club Z LA teen Miya Z., November 2023

"We are not Jews with trembling knees. We outlived the Philistines, the Byzantines, the Nazis and the Soviet Union. And there is no doubt that we will outlive Hamas and Hezbollah. We have the right to defend ourselves. To be a Jew is to be a Zionist. It's as simple as that." - Miya Z., Club Z Teen
